7:00pm - 9:00pm

We invite you to an informative evening with leading consultant and trainer Kim John Payne, author of *The Soul of Discipline*. He will walk us through his simple, yet effective plan to help parents set limits, correct behavior, and influence a child's decision-making. We will be introduced to three roles adults can play working & playing with our children: the Governor, of younger kids; the Gardener, who watches, listens, and decides on the right course of action for school-age children; and the Guide, who collaborates with increasingly mature teenagers.

Join us for this inspiring & supportive lecture; ideal for parents, caregivers, teachers, and professionals. No charge, donations accepted.
