In ancient times, **May Day** was a celebration of nature's revival after a long and cold winter. WSB celebrates May Day by honoring our students' extended families, and friends. We invite you to join us for a day filled with classroom activities and springtime festivities, this year with a Mexican theme.

**Cinco de Mayo** is an annual celebration held on May 5 to commemorate the Mexican Army's unlikely victory over French forces at the Battle of Puebla on May 5, 1862. In the United States, Cinco de Mayo has taken on a significance beyond that in Mexico and has become associated with the celebration of Mexican-American culture.

**All family members attending classrooms and presentations are asked to please RSVP to [development@twsb.org](mailto:development@twsb.org) or 410-367-6808 by April 27.**
