## the Waldorf approach to Nature Studies

WITH MICHEL ANDERSON, ECOLITERACY TEACHER

**Wednesday, April 13, 2016**

**7:00pm - 8:00pm**

**Friday, April 22, 2016**

**8:30am - 9:30am**

Schools that move beyond the classroom walls and engage children in the natural world report significant student gains in academic performance and social development. Join Michel Anderson (Ecoliteracy Coordinator) to learn more about the Waldorf commitment to immersing children in the natural world.
