Parent & Child Class

August 4 - 19, 2015
Six Sessions | Tuesdays & Wednesdays

Toddlers

For children from walking to age 3.

In this class both teacher and parent (grandparent or caregiver) collaborate on purposeful activities that guide and inspire young children in their play. Children engage in homelike tasks while learning how to be an individual in a group situation. Relevant topics on early childhood such as sleep patterns, nutrition and creating a healthy and harmonious rhythm for your child, are discussed. We will learn songs, stories and make simple craft projects and prepare a wholesome snack together.

Both groups will be facilitated by experienced early childhood teacher, Brooke Redgrave.
